Hábitat para la Humanidad El Salvador

Housing loans to buy, build or fix homes

EL SALVADOR

Hábitat para la Humanidad El Salvador (HPH El Salvador) is an NGO that supports low-income earning families by offering financial services in order to help them purchase, build or fix their houses. Additionally, Hábitat offers non-financial services such as communal development, workshops, assistance during natural disasters, technical assistance and legalization of the ownership of land.

HPH El Salvador is affiliated with Habitat for Humanity International. In El Salvador, HPH was established in 1992 in the city of Santa Ana. The organization has helped improve living conditions and solve housing problems for more than 32,725 families, including facilitating access to credit.

In addition to supplying various housing loans, HPH El Salvador also provides training in enterprise building, financial literacy and basic health and nutrition. They also provide legal advice on risks associated with buying or building a house.

Hábitat para la Humanidad El Salvador, has been an Oikocredit partner since 2011.
