

EcoEnterprises Partners II, LP

Investing to preserve the environment

 COSTA RICA

 Other

EcoEnterprises Partners II, LP is a fund which provides debt and equity financing to small, community-based, sustainable businesses in Latin America.

The companies in EcoEnterprises' portfolio are involved in a range of activities, such as organic agriculture, ecotourism and sustainable forestry. These companies help to create employment for the local community while preserving the environment.

One such company is Sambazon. Sambazon produces and exports organic 'superfoods' from the Amazon and strives to achieve social and environmental as well as financial returns.

Oikocredit participates in EcoEnterprises because of its support for growing, innovative companies which help to preserve some of the world's most precious environmental areas.

EcoEnterprises has been an Oikocredit partner since 2011.
